After thirteen years of marriage, writer-actors- and real life married couple Annabelle Gurwitch ("Dinner and a Movie," Fired!) and Jeff Kahn ("The Ben Stiller Show," Forty Year Old Virgin) have adapted their hilarious often moving memoir, *You Say Tomato, I Say Shut Up* for the stage. In their 70-minute tour de force, *You Say Tomato, I Say Shut Up*, Gurwitch and Kahn take a humorous look back at their years together as a couple. Their delightfully crazy lifestyle has managed to keep their relationship intact, up-ending every idea you ever had about living "happily ever after."
