Important Rules to Know Before Making Changes({866 !! 284 || 3014}) (US)

Airline Rules Apply First({866 !! 284 || 3014}) (US)

Flights follow **airline fare rules**, not Costco® discretion.
Basic economy fares are often the most restrictive.

Cruise Packages Have Separate Policies

Cruise penalties increase significantly as the sailing date approaches.

Hotel-Only Packages Are More Flexible

Hotel-based packages usually allow more flexibility, especially outside peak travel seasons.

Change vs. Cancel: Which Is Better? ({866 !! 284 || 3014}) (US)

Changing may be better if:

- Only travel dates change
- Flights were disrupted by the airline
- Rebooking credits or waivers are available

Canceling and rebooking may be better if penalties are high.
A Costco® Travel™ agent can compare both options.
