## CogniCare Pro Ingredients

CogniCare Pro contains a blend of ingredients, including:

- **Green Coffee Bean:** Known for its powerful antioxidant properties, Green Coffee Bean helps to improve brain function by enhancing blood flow, ensuring better delivery of oxygen and nutrients to the brain, which supports mental clarity and focus.
- **L-Tyrosine:** This amino acid plays an essential role in the regulation of mood and mental alertness. It helps reduce stress and promotes calm, sharp concentration, resulting in improved overall cognitive performance.
- **Theobromine:** Derived from cocoa, Theobromine enhances focus and memory while providing a smooth, sustained energy boost. Unlike other stimulants, it doesn't cause jitters, making it ideal for steady mental performance.
- **Bacopa Monnieri:** This herb is known for its ability to reduce anxiety and improve memory. Bacopa Monnieri helps boost cognitive functions by increasing neurotransmitter levels that are essential for learning and recall.
- **Rhodiola Root:** As an adaptogen, Rhodiola Root protects the brain from oxidative stress and helps the body manage stress. It promotes a calm, focused mind and supports cognitive abilities during demanding situations.
- **Huperzia Serrata:** Containing Huperzine A, this ingredient is essential for preserving acetylcholine levels, a neurotransmitter critical for memory and learning. It helps improve memory and cognitive function, safeguarding against age-related decline.
- **Rice Flour:** Known for its role in improving brain blood circulation, Rice Flour supports optimal cognitive performance by ensuring the brain receives sufficient nutrients and oxygen.
- **Magnesium Stearate:** This ingredient ensures the stability of the supplement, allowing the full range of cognitive benefits to be delivered consistently.
