Valid identification may be required, and MCFB reserves the right to refuse or discontinue alcohol service to any guest who appears underage, intoxicated, unsafe, or otherwise in violation of responsible-service requirements. Shots are not permitted.

CHINA & GLASSWARE SERVICE

Standard china, flatware, glassware, and catering serviceware are available where appropriate for the selected menu and service style. Disposable or alternative serviceware may be used for certain menu offerings, outdoor events, theatre-style events, late-night service, exhibitor orders, or other formats where traditional serviceware is not operationally appropriate. Specialty china, glassware, or service pieces may require additional rental charges and must be coordinated in advance.

LINENS

Standard black, white, or ivory catering linens are available where applicable and as confirmed on the Event's Banquet Event Order. Specialty colors, upgraded linens, additional quantities, or specialty table sizes may require additional rental charges. SUBSTITUTIONS

MCFB reserves the right to substitute menu items when necessary due to product availability, seasonality, market conditions, or other circumstances beyond its control. Every reasonable effort will be made to communicate substitutions in advance and provide an item of comparable quality and value.

LABOR & EVENT PERSONNEL

Standard staffing levels are determined by MCFB based on guest count, menu, service style, Event schedule, room configuration, and operational requirements. Certain services may require dedicated Event Personnel, including bartenders, Culinary Attendants, Chef Attendants, specialty beverage personnel, or other staffing. Applicable staffing requirements and charges will be identified in the menu, proposal, or BEO. Events with fewer than 25 guaranteed guests are subject to a \$100 small-group labor charge, unless otherwise noted. Additional staffing requested by the client or required because of Event changes, specialty service, additional locations, extended service, or operational needs may result in additional charges.

EXTENDED OR DELAYED SERVICE

Service periods vary by menu offering and are identified throughout this menu and on the BEO. Delays, extensions, schedule changes, or additional service requested beyond the contracted service period may require additional staffing and will be billed at applicable rates. If the scheduled beginning or ending service time changes materially on the day of the Event, additional labor charges may apply.

MENU SELECTIONS

Final menu selections, catering specifications, layouts, staffing requirements, and other Event operational details must be submitted at least 45 days prior to the Event. Events booked within 45 days may require menu and service selections at the time of contracting. Final services will be confirmed through the Banquet Event Order. Changes requested after confirmation are subject to availability and may result in additional charges.

PRICING, MANAGEMENT FEE, & SALES TAX

Menu pricing is guaranteed for Events occurring within six months of contract execution. Pricing for Events scheduled beyond that period may be adjusted due to market conditions, with notice provided to the client. ROOM SET

Event spaces will be set according to the finalized guest count, room layout, menu, and service requirements confirmed through the Event documentation and BEO. MPAC maintains a limited inventory of tables, chairs, service equipment, and other Event support items. Only quantities specifically confirmed for the Event are reserved. Requests for additional quantities, specialty items, or changes after final submission are subject to availability and may require additional labor, equipment, or rental charges.

GUARANTEES

A final guaranteed guest count is required 10 business days prior to the Event and may not be reduced after submission. Charges will be based on the final guaranteed attendance or actual attendance, whichever is greater. MCFB will make reasonable efforts to accommodate attendance beyond the guarantee; however, service more than approximately 5% above the final guarantee is subject to product, staffing, equipment, and service availability. For plated Events offering multiple entrée selections, final counts for each entrée must be provided with the final guarantee. Guest meal-identification cards may be required to ensure accurate service.

DIETARY CONSIDERATIONS & ALLERGENS

We are happy to accommodate vegetarian, vegan, gluten-free, and other dietary needs whenever possible. Please share any food allergies or dietary restrictions with your Catering Sales Manager in advance so our culinary team can thoughtfully plan for your guests. For plated events, final dietary needs should be provided with the final guest guarantee, and meal-identification cards may be required to ensure accurate service. Because our culinary team works in a shared kitchen environment, please notify us of any food allergies specifically so we can discuss appropriate menu options and preparation considerations.

FOOD & BEVERAGE MINIMUMS

Certain Events are contracted with a minimum food and beverage expenditure. The applicable minimum will be identified in the Event License & Services Agreement and/or BEO. If the contracted food and beverage minimum is not met, the difference will be added to the final Event charges. Unless otherwise stated in the applicable Agreement, food and beverage minimums do not include venue rental, taxes, management fees, or other non-food-and-beverage Event charges.

CONTRACT & PAYMENT TERMS

Deposits, payment deadlines, cancellation provisions, credit-card fees, and other financial obligations are governed by the executed Event License & Services Agreement.

The current Agreement requires a non-refundable initial deposit, subsequent scheduled payment, and payment of the estimated Event balance prior to the Event. Event-specific terms will be outlined in the executed Agreement.

RETAIL CONCESSION SERVICE

Retail concession and bar service may be available for applicable Events based on anticipated attendance, Event schedule, location, and operational feasibility. MCFB reserves the right to determine which concession stands, portable service locations, or retail bars will operate and their hours of service based on projected demand and Event requirements. Requested concession or retail locations outside the standard Event service plan may be subject to minimum sales requirements, setup fees, staffing charges, or other operating costs. Applicable requirements will be confirmed in advance through the Event proposal or BEO.

EXHIBITOR BOOTH ORDERS

Food and beverage service for exhibitor booths may be coordinated through MCFB. Booth orders are designed for delivery to counters or booth tables provided as part of the exhibitor's setup; MCFB does not automatically provide exhibit tables or furnishings. Booth orders may be presented using high-quality disposable serviceware with appropriate condiments and serving supplies. Orders should be submitted sufficiently in advance to allow for product procurement, preparation, scheduling, and staffing. Late orders are subject to availability and may incur additional charges. Final ordering deadlines, delivery minimums, delivery charges, and payment requirements will be confirmed for the specific Event. The exhibitor or authorized representative must be available to receive booth deliveries unless other arrangements have been approved.

REPLENISHMENTS & ON-SITE ORDERS

On-site additions, replenishment requests, and last-minute orders are subject to product and staffing availability. Please allow appropriate preparation and delivery time for on-site requests. Large Events, simultaneous functions, distant service locations, or specialty requests may require additional lead time. Additional product, labor, equipment, or delivery associated with on-site requests will be added to the Event charges as applicable.

FINAL DETAILS & BANQUET EVENT ORDER

Final guest counts, linen adjustments, dietary information, and other final Event details are due 10 business days prior to the Event. The finalized BEO documents the agreed menu, pricing, service schedule, staffing, room setup, and other Event-specific requirements. Changes requested after finalization are subject to availability and additional charges.
